

SENATOR JOSH NEWMAN

DISTRICT INTERNSHIP PROGRAM

The Office of Senator Josh Newman is looking for currently enrolled college students or recent graduates for spring & summer internships.

Qualified applicants will be passionate about government, policy, or community engagement and have excellent demonstrated written and verbal communication skills.

In the office, interns will manage constituent data and comments, track and research legislation, and work with state agencies to solve constituent problems.

In the field, interns will organize and execute community events, engage with local governmental and nonprofit organizations, and provide legislative updates to constituents.

Minimum 10 hour per week commitment with flexible scheduling. To apply, submit a cover letter and resume to katie.baldewin@sen.ca.gov.
